To

Charles E. Monteiro, Esq., M.A.,
Secretary to Government,
Development Department, Bangalore.

Sir,

Subject:- Purchase of highly activated pure vegetable carbon for use by Lac & Paint Works.

I have the honour to report that an order was placed with Messrs. Mousell & Co., Bombay, for the supply of ½ ton highly activated pure vegetable carbon at Rs. 3,600/- per ton for use by the Mysore Lac & Paint Works. The purchase was sanctioned by me as the cost was Rs. 1,800/-. But while forwarding the material, the Firm despatched 10 bags of the material weighing in all 1,312 lbs or 192 lbs in excess over the quantity indented for. This was due to the fact that they could not break the original packing. The total cost of the supply including the excess quantity of 192 lbs and forwarding charges has come up to Rs. 2,120-9-0 for which the Firm have sent a bill for payment. Sanction of Government is necessary for this purchase as the value exceeds my powers of sanction of Rs. 2,000/-.

In order to avoid delay, I have permitted the bill of the firm for Rs. 2,120-9-0 being paid. I request that approval of Government to the above may kindly be obtained and communicated.

I have the honour to be,
Sir,
Your most obedient servant,

Director.
